ELECTION BULLETIN SERVICE TONIGHT AT THE RECORD HERALD

Aided by a corps of workers who will cover the entire county the RECORD-HERALD will maintain a bulletin service on election returns tonight. Assisted by the Universal Service a complete report of the state returns will be available as soon as the votes are tallied in the various parts of the state.

Due to the length of the ballot it will probably be a late hour before the final results are obtained but the RECORD-HERALD workers will make a check throughout the night and as fast as the votes are tallied the returns will be given out by a bulletin service, to be posted in the windows of the RECORD-HERALD at Macdonald avenue and Twenty-second street.

PLANS FOR BIG LOCAL VOTERS FALL OPENING ARE URGED TO ARE COMPLETED VOTE LOYALLY

The one event which the local Merchants Association has been awaiting and which has attracted the interest of the public of Richmond will start at 7 o'clock tomorrow night—the annual fall opening show.

Promptly at 7 o'clock tomorrow night the veils that have been screening the windows of the local Merchants of the day, seeming to hide something mysterious, will come down and reveal what the well dressed man and woman will wear this fall.

Fall styles will have their first showing here—coats, hats, dresses, suits making a gorgeous array of color against the gay backgrounds of the windows.

Pretty models will show the women the latest creation in sports, afternoon, dinner and formal wear. Men models will show what the well dressed man about town will don this fall.

At 8 o'clock the grounds of the Lincoln school will be flooded with brilliant flood lights and the snappy music of the Richmond Municipal band will fill the air with surcharged zest and pep.

Wednesday night will be spent in window shopping.

Thursday will peep its head around the corner and the biggest event of the year will take place at the California Theatre in the evening. The fall style show.

Through the courtesy of Dan Riordan, manager of the local theater, many arrangements have been made to make the style show one of the biggest programs presented at the local playhouse for some time.

No raise in prices will be made for this show which will be given in conjunction with the regular California Theater bill.

The style show will be in the nature of a playlet. Four models will play the principal parts—that of the husband, wife, her friend and Mae.

Special arrangements are being made so that the cars on display may be driven onto the stage.

But the rest of the show is left as a choice surprise to the public.

The first show will start at 7 o'clock and the second will be at 9 o'clock.

Friday night will be spent in more window shopping.

Yesterday afternoon the members of the Association held a short session in the Hotel Carquinez to complete plans for the event. Members present included Harley Carter, Ward McKracken, W. Smith, Harry Alberts, C. Barger, J. Gilbert, Clint Smith, Guy Milnes, C. C. Olney, C. C. Kratzer, Al Abrahams and Marie Macdonald, Jensen.

Last night the models were in Richmond and rehearsed their roles.

So far everything is running smoothly and everything will be ready for the opening show.

Mr. and Mrs. Stephen Betlow are en route to Richmond from their trip to Europe and have arrived in Chamolis, Missouri. They have been gone nine months.

Biggest Majority In History Of H's Political Career Is Forecast For Zeb Knott Today

Zeb Knott will be elected supervisor today. He will receive one of the largest majorities ever given a candidate in this district.

The vote will be an expression of gratitude from the voters for the stand that Knott has taken on all public questions that affected the interests of the taxpayers.

The vote will also be a rebuke to the columnists that have been spread by the Northern California Development bridge gang promoters.

The result of the election will also be a clean vote of approval of his work as a supervisor by the general public.

Because Knott refused to take orders from the new bridge gang the support that has come to him has increased in all parts.

The only question that is involved in the supervisor fight today is how large will the majority of Knott be?

George Imbach Is Getting Strong Support For Office Of County Tax Collector

There is every indication that the voters of the county today will nominate George F. Imbach as tax collector. By leaps and bounds his strength has been increasing during the past week, until at the present writing even the adherents of Joost, reluctantly admit that Imbach is "going over big."

Imbach is a man of pleasing personality, is well qualified for the position he seeks, is the only veteran of the World War in the campaign, and is a member in good standing of the labor union.

Imbach, when elected will bring about reforms in the office, that it has been impossible for the taxpayers to secure during the past twenty years. He will establish branch offices during taxpaying time, and people of the western end can pay their taxes at home and not be forced to every possible inconvenience in settling their taxes.

Get representation for the western end of Contra Costa. Aid today in making Imbach's majority as large as possible.

George P. Glineburg Promises A Square Deal For All If He Is Elected To Sheriffs Office

The last night of the campaign was spent by George P. Glineburg, candidate for the office of sheriff in holding street meetings. Five meetings were held on Macdonald avenue corners last evening, and large crowds heard the candidate make his talk. He won hundreds of votes by the stand that he has taken.

Glineburg told his hearers that he was for equal treatment of all, that so far as he was concerned there would be "not high" nor "not low class". He was for the strict enforcement of the law, and his efforts would not be devoted to catching the little fellow who happened to have a flask in his hip pocket, and let those "on the hill" where booze runs free daily, go scot free.

Glineburg said he thought the "reign of terror" that has existed for the past thirty years in this county should come to an end. He told of how he had been embarrassed in different parts of the county by his cards being torn down, and merchants being forced to take his cards from their windows.

Glineburg said he had every assurance that he was to be elected sheriff, and solicited the vote of everyone, promising a fair and impartial administration of the affairs of the office.

John A. Miller Has Given Unstintingly Of His Time And Efforts To Aid County

No other man in the city of Richmond has given more unstintingly for the benefit of the general public than John A. Miller, candidate for the office of county assessor.

For years he has given his time without one cent of compensation, and this is the first time that the debt of gratitude can be repaid.

His duties as income tax collector, and the work of securing and appraising the different sites for parks, has given him an experience that will be most valuable to the taxpayers of the county.

Go to the polls today, and cast your vote for Miller for assessor. Be loyal to your home city; see that it gets representation at the court house at Martinez.

Election Of Aubrey Wilson As Coroner For County Is Predicted By His Supporters

Aubrey Wilson supporters were jubilant last night, claiming that he would be coroner today by receiving a much larger vote than his two opponents.

The calliope, as an advertising feature was brought into play also last night, and the music could be heard in all parts of the city as every section was traversed.

Reports were received from every part of the county by Wilson, and he stated last night, they were more than encouraging, and assured him a victory at the polls today.

INCREASE IN SALARY GIVEN CITY OFFICERS

**Street Sign to be Erected at
Macdonald Avenue and San
Pablo Under New Provision**

A cut in the tax rate of seven cents over last year.

An increase in the salaries of City Manager J. A. McVittie; City Clerk A. C. Faris, Assistant Deputy City Clerk L. W. Broughan, City Auditor Marie A. Whiteside, Chief of Police Dan Cox, Chief Electrician E. S. Delaney, Chief Mechanic B. H. Smith, and Switchboard Operator W. H. Snelling.

An appropriation for three additional patrolmen giving the police force a total of nineteen.

An advertising appropriation to aid the Chamber of Commerce to advertise the city.

An increased appropriation for the school department.

These were the outstanding points of the budget which passed its first reading before the city council last night.

The tax rate on \$100 for the fiscal year 1926-1927 as completed by the city council in arranging the budget was set at \$2.13 as compared with \$2.20 for the previous year.

The items considered in the tax rate as prepared by the council and City Manager James A. McVittie is as follows:

\$1.54 for the general fund; ten cents for the library fund; six cents for the school fund and twenty-six cents for the 1912 bond interest and redemption fund; thirteen cents for the 1920 bond interest and redemption fund and

Trooper Killed By Unknown Man

(By Universal Service)
MONTEREY, Aug. 30.—Shot through the head while making his sentry rounds at the Presidio in Monterey early today, Private Lucien Applegate, Troop F Eleventh cavalry was instantly killed.

Military authorities who investigated the case tonight admitted themselves completely baffled as to the identity of the person who shot him or the reason for the attack. No one has been found who heard the shot or witnessed the assault.

Bruises on his body and the disheveled condition of his clothes showed that he had been shot while on his horse and had been thrown to the ground. From the nature of the wound the investigators concluded that he had been shot by a pistol in the hands of someone standing beside his horse.

Michael Bradley, of the Standard Oil company, has returned to Richmond from Philadelphia where he accompanied the remains of a friend.

Two Big Events Are Planned by Local Scouts

Two big events mark the program for the Richmond Pyram of Scouts and the Richmond Chapter of De Molas for the month of September, two events which give promise of being a close rival to the big Scout ceremony which was held here recently.

The first event is a big dance to be held at East Shore park on September 11 with an orchestra of 100 pieces of music, furnishing the music. Many valuable door prizes will be awarded.

According to Scout Bill Barry, in charge, reservations have been made for 1000 couples, enough to fill the big ball room to an overflow. He declares that some one suggested the idea of leveling the roof to accommodate the others.

The biggest event on the program is the big show to take place at the California theatre on September 21, a show that gives promise of being the biggest ever staged by the Scouts and De Molas.

For big acts of big time vaudeville will be presented to the people and one of the biggest moving pictures of the year, one that has not been released for the big playhouses will be shown. Special arrangements were made with the producers for this gigantic film.

Tickets for this show will be on sale at the end of this week, and those planning to attend are asked to send in their reservations as many of the tickets have been reserved.

The Alameda, Berkeley, Oakland and Antioch Scouts have requested that a special section be reserved for them and the De Molas boys have made many reservations for this big event which will start promptly at 8.

These events will be staged for the benefit of outfitting a Scout band.

The committee in charge which met last night included Bill Barry, chairman, Zeb Knott, George Lohr, Homer Patterson, Lind Johnson, Bradford Stevenson, James Cryan, Roy Anderson, Compton Gault, and Raymond Butcher.

MARTINEZ MAN KILLED 3 HURT IN AUTO WRECK

Fred Rosenborough, jeweler of Martinez and Concord was instantly killed and three of his companions seriously injured when the car in which they were riding north on the Redwood Highway plunged down a 200 foot embankment and was totally demolished late Saturday night.

B. H. Hill, owner of the Hot Point restaurant in Martinez received a broken pelvis bone and a broken hip; Arthur Gallagher, brother-in-law of Hill, received a broken nose and scalp wounds and Tom Brooks, of Martinez received three broken ribs and severe cuts about the face and bruises.

The party left Martinez on Saturday night bound for the mouth of the Klamath river on a hunting and fishing trip. Hill was at the wheel of his big car which had a trailer attached, and was going at a safe rate of speed on the Redwood highway about 50 miles north of Willits about 11 o'clock when the car struck soft dirt at the side of the highway and plunged down the grade.

The car, dragged by its trailer, plunged 200 feet down the bluff, and rolled over on its side, crushing and instantly crushing, less seriously injured than the other two with the greatest of difficulty crawled up the steep hill and walked four miles to Colbridge camp where he summoned aid.

The dead man and his injured companions were rushed to the Willits hospital where Hill, Gallagher and Brooks were treated.

Mrs. Hill, upon receiving word of the accident summoned Mrs. Brooks and Mrs. Rosenborough and the trio left immediately for Willits. Mrs. Rosenborough was near a state of collapse upon receiving the sad news.

The injured men are expected to arrive tonight at Martinez and an attendant at the Brunscher and Connolly funeral chapel of Martinez has gone to Willits to return the body of the dead man.

Rosenborough came to Martinez several years ago from Concord where he had been engaged in the jewelry business. He opened a store in Martinez and was conducting a good business.

Beauty From Within

Facial beauty cannot come from cosmetics. It must come from within. Anything that mars the complexion—pimples, blackheads, oiliness or blotches—is due to blood impurity.

Modern science has found a new way to correct it. Physicians are prescribing it to millions. And they consider it one of the marvels of modern medicine.

It is a gland secretion, derived from beef livers. It stimulates the liver, multiplies the flow of bile. And no other method does that.

One result is prompt relief of constipation. The bile floods the bowels—keeps them clear. That result comes in a few hours.

But bile is also Nature's antiseptic. It combats the germs whose poisonousness causes so many bad complexions. A new flood of bile is the greatest beautifier science knows.

That liver gland secretion is embodied in Dioxol tablets. Each tablet represents ten drops. We urge you to learn what it means to you. The results will amaze and delight you.

"Clip this advertisement. Take it to our Special Agent, La Moine Drug Co., and he will give you a liberal sample of Dioxol free."

German Leader Charges Graft In Metals Case

By JOHN A. KENNEDY.
(By Universal Service.)
NEW YORK, Aug. 30.—Richard Merton, multi-millionaire metal magnate and one of the most powerful of the pre-war industrial leaders of Germany, is now on his way to the United States to face a judge and jury the "inside" story of the \$7,000,000 American Metals alleged conspiracy case.

He will be the government's star witness in the trial of Harry M. Daugherty, former attorney general of the United States, and Colonel Thomas W. Miller, former attorney general of the United States, who are charged with having participated in the sale of American Metals Company stock and held in trust by the alien property custodian.

He will tell how he organized King, to whom a cash payment of \$50,000 was paid, and how later in an elaborate suite at the Waldorf-Astoria hotel here he turned over to Smith and King \$250,000 in Liberty bonds as final payment for their activities in his behalf in Washington.

The night previous, Sunday, Merton had told the Department of Justice at a sumptuous dinner at the fashionable Ritz-Carlton Hotel here, Colonel Miller, then alien property custodian, handed him two checks on the United States Treasury, aggregating \$8,453,979.97, in settlement of the claim. Jesse Smith and John King were the other guests at the dinner. Merton's story declared.

Merton gave his guests paid cigarettes as souvenirs, the story continues.

It is around this amazing story of the now famous transaction and the Liberty bonds that featured prominently in it that the government will have its say.

LACOSTE, COCHET AND BRUGNON, FRENCH TENNIS STARS, AT FOREST HILLS PREPARING FOR U. S. CAMPAIGN

THOMAS INCE ADDS ANOTHER BIG SUCCESS

Thomas H. Ince adds another to his long record of screen successes in "Christine of the Hungry Heart," the first National picture which opened at the California Theatre yesterday.

There are a number of elements that make "Christine" out of the ordinary.

In the first place, the story is from the successful novel of Kathleen Norris, and is compelling and interesting from start to finish.

In the second place, an excellent cast, including five stars, was provided by Mr. Ince, and the story is vividly interpreted.

The story of Christine is that of a woman who, denied nothing in her girlhood, fails to find the happiness she craves as a wife. Her quest for this happiness and its discovery, after many trials and tribulations, make a vital and dramatic story.

Christine first weds an unfaithful husband, then a neglectful one. She elopes with a poet, but has her young son taken away from her just as she believes her long-awaited happiness is at hand. She then plays the part of a mother, mis-step and eventually finds the happiness she sought as a wife.

Christine is played sympathetically by Florence Vidor, an actress of skill and rare judgement. She vividly portrays the storm tossed Christine and gives life and color to the character throughout.

Warner Baxter is the unfaithful husband, and plays the rather difficult part.

Clive Brook, an English actor visiting these shores for the first time, is excellent as Dr. Alan Montague, the second husband, while Ian Keith, is the poet.

Walter Hiers appears in a role a little different than usual and does splendidly as the brother of Christine.

Little Dorothy Brock, four years of age, brings many a tear with her appealing portrayal of the little boy who is taken away from his mother.

Other features include "He Forgot to Remember," a Clyde Cook comedy; "Christion Lesson No. 2," and "Topics of the Day."

Mr. and Mrs. Barney Luden of Taft, who were entertained at the home of Mr. and Mrs. C. A. Morcken, 721 Wilson avenue for over two weeks have returned to their home.

Johnny Walker Repeats Success Of Over the Hill

"Over the Hill" was the big sensation of the motion picture world five years ago. It was a Fox film production that stamped itself on theatre patrons' memories because of the convincing portrayal of Johnnie, the Black Sheep—the leading character.

The actor who branded Johnnie, the Black Sheep, in the memories of audiences is back in Fox production. He is Johnny Walker.

Walker repeats his success of "Over the Hill" in "Honesty the Best Policy," new crook drama just completed under the direction of Chester Bennett, and which ends its run tonight at the Richmond Theatre.

Other features on the same program include "What Price Goofy," a Charlie Chase comedy; "Topics of the Day," and "Esop's Fables."

Local Man Burned By Molten Metal

W. A. Peters, chief engineer at the Arctic Ice Company plant received serious injuries yesterday when molten metal was poured into his eyes.

According to Peter's statement a quantity of water dropped into the molten metal, causing it to splutter and splash.

Peters was taken to his home.

Pullmanite Club Has Bay Outing

W. C. T. U. IS TO HAVE BOOTH AT STATE FAIR

The Woman's Christian Temperance Union Booth at the State Fair in Sacramento, September 4 to 11, is advantageously situated at the end of the Educational Building near the North entrance with an aisle on two sides.

The booth is being carried on under the W. C. T. U. department of Pairs and Open Air Meetings of which Mrs. Emogene J. Pemberton of Berkeley is the state director.

The committee having the booth in charge is: chairman, Mrs. H. J. Shute, Woodland, with Mrs. Jane Ganoung, Sacramento, and Mrs. Alice Scarlett, Woodland as associates.

The subcommittees are: publicity, Miss Mary Helen McLean, San Francisco; music, Mrs. George Azavedo, Sacramento; selection of literature, Mrs. Anna Mardon De Yo, San Francisco; distribution of literature, Mrs. Lora Davidson, Sacramento; automobiles, Mrs. Abbie E. Wiley, Sacramento.

County hostesses from the bay cities and the counties near Sacramento will be announced later. Each day there will be a half hour of music.

The exhibit last year was notable for its attractiveness and the wide spread interest which it aroused. Many of the observers expressed astonishment at the scope of the great work carried on by the W. C. T. U. through its thirty departments.

DO YOU COUNT YOUR MONEY?

Does an official whose interest in county welfare has been so pronounced that he has cut the unit cost of his office more than one half interest you? Does an official whose economy in government has not been at the cost of efficiency arouse more than passing attention from you? It should.

The County Is Spending Your Money

Today when you go to the polls put the stamp of approval on an officer who has conducted county business with economy and efficiency. VOTE FOR MEESE FOR ASSESSOR!

Meese's record as a competent official is outstanding. For sixteen years not a single assessment he has made has been changed. He has cut the cost of assessments from \$1.10 to 50 cents. Meese has given careful attention to county costs. These facts have been cited from the opening of the campaign and they have gone unchallenged and unquestioned for they cannot be challenged nor can they be questioned. Does this record mean anything to you? Then vote for—

JOHNSTON AND CHANDLER WIN IN NET DOUBLES

(By Universal Service.)
By GEORGE E. TIMPSON
LONGWOOD CRICKET CLUB, CHESTNUT HILLS, Mass., Aug. 30, National and international champions, representing three nations, scored easy victories over their less known opponents this afternoon, when the fourth annual renewal of the national doubles tennis championship began on the Lockwood Cricket Club courts here.

Vincent Richards and R. Norris Williams II, national champions, Henri Cochet and Jacques Brugnon of France, and Wimbledon winners in 1926; Jean Borotra and Jean Rene La Coste, French champions and winners at Wimbledon in 1924, and William T. Tilden II, with a new partner of such promise, Alfred H. Chapin Jr., all survived on straight sets against lesser opponents.

The finest work of the day, however, was staged by "Little" Bill Johnston and Edward Chandler, intercollegiate champions, both of San Francisco. They encountered another great California team in the Stanford champions, Cranston Holman and Lionel Ozden.

But except for a brief period in the final set where Johnston was in command of the situation, winning 6-1, 6-1, 8-6.

Tilden and Chapin encountered a third Pacific coast hard, Wallace Scott and Theodore McDonald, both of Seattle, and also won easily on straight sets, 6-2, 6-4.

Richards and Williams eliminated the Missouri valley champions, Lionel S. Baker and S. W. Hutbell of Kansas City, 6-1, 6-4, 6-2.

The two French doubles combinations loomed through their matches.

Borotra and La Coste swept their way to the net to defeat E. W. Emma and E. B. Pierce of Salt Lake, inter-mountain sectional champions 6-1, 6-3, 6-4.

Cochet and Brugnon, the Wimbledon champions, defeated a former Harvard combination, Alfred S. Dahne and Karl S. Pfaffman, 6-1, 6-3, 6-3.

A team from Mexico, the veteran Claude Bultin and Manuel Llano of Mexico City, was finally victorious over a Canadian-American combination after a hard four-set struggle.

The Mexican pair outlasted B. G. Peace of Montreal and J. W. Foster of Boston, 6-3, 2-6, 6-2, 6-4.

Another mixed team composed of Takeichi Harada, the Japanese Davis cup ace, and S. Howard Vossell, was forced to forfeit because of Harada's condition after the strenuous matches with the French last week.

Two young southerners, A. G. Walters and C. E. Granger of New Orleans furnished the nearest thing approaching an upset when they carried the national clay courts champions, Lewis M. White and Louis Thaineler of Texas, to five sets.

The experience of the Texas pair came to their support in the critical stages and they took the decision, 6-4, 2-6, 6-4, 4-6, 6-2.

OAKS

After a look at the scores of the two games with the Deavers on Sunday evidently the Oaks will have to do some tall fighting in order to win this year's pennant. The pitching staff of the Oakland team seems to have gone "bloody" and with no one to take their place. Meanwhile the Angels are winning game after game.

FOOTBALL

What is regarded as one of the strongest professional grid teams in the Olympic club football team of San Francisco Coach Jack Patrick had 60 men report to him on Saturday with some of the old time players, such as Bailey, Needles, Shinkley, Bradshaw, Campbell, Cleveland, Lacey, Daly and Brown on the field.

TUNNEY

Gene Tunney today will move his training camp from Speculator, N. Y. to Stroudsburg, Pa., and will enter quarters nearer the Sesqui grounds. Gene declares he is all "pepped up" over the fight and declares he will come home with the scalp of Jack Dempsey.

INJUNS!!

W. H. Martin, of San Diego, a winter league baseball club manager, was in Seattle yesterday negotiating for the purchase of the franchise of the Seattle club with the view of moving the club to San Diego. It is reported that a sale of the Tribe is not all improbable.

JACK KEARNS

After attaching Dempsey for every thing he had, with the exception of a pack of Lucky Strikes, Jack Kearns has announced that he hasn't started to sue yet. Pity Dempsey if he does start!

A party of tourists stopped at a small town restaurant for lunch. A rather flip little waitress was serving the meal and one of the younger male members of the party thought he was having a good time "kidding" her.

"What will you have to drink?" inquired the waitress.

"Coffee, please, without cream," answered the kiddier, politely for once.

"You can't have your coffee without cream today," came the snappy reply. "You'll have to have it with milk—we haven't any cream."

Applicants for positions under the municipal government must undergo a physical examination. During the examination for one candidate the physician asked: "What did your grandfather die of?"

The applicant looked nonplussed for a moment and finally admitted that he did not remember, but hastened to add: "But I know that it was nothing serious."

German Swimmer Beats Record Of Gertrude Ederle

(By Universal Service.)
By ROBERT J. PIREW
LONDON, Aug. 30.—Today's English Channel swim was accomplished by Hans Vierkoetter from S. u. thern Germany, who touched land at East Dover at 2:10 p. m., a far remarkable feat for the fact that he hung up the record time for 12 hours and 42 minutes.

Vierkoetter is unknown outside of Germany mainly because only this year, having the German record permitted to compete in international swimming events. His attempt today, therefore, was unheralded and only a group of soldiers greeted him when he reached the English side of the channel escorted by a tug he swam in a calm sea which for several hours was covered with a heavy mist. He collapsed and became unconscious as soon as he reached land. After a brief rest the soldiers carried him to a small boat which took him to the tug for an immediate return to London.

Vierkoetter's feat, the third successful channel swim within a month, was accomplished in 1 hour and 49 minutes less than the time taken by Gertrude Ederle.

Until Vierkoetter made his remarkable swim today the fastest time ever made by a male swimmer across the channel was that of Timboshki, the Argentinian, who negotiated the channel in 16 hours and 33 minutes; this record was beaten by Gertrude Ederle and again by Mrs. Clementine Corson, but the record which Vierkoetter has created will probably stand for a considerable time.

The German swimmer it is estimated covered well over two miles an hour.

BATTING CHAMP!

BOB DON'T REMEMBER EVER HITTING BELOW .300 — JOE ARCHIBALD — © WHEELER-NICHOLSON INC.

It is one of the tragedies of the American League to see Ty Cobb, the Georgia peach and greatest ball player of them all, gracing the Detroit bench. The colorful old fellow has always insisted that when the day arrived that he could present an out field that would function without his services, he would retire to the dugout.

In Mansu, Holman and Fothergill, Cobb has the hardest hitting outfield in the Majors. Holman is batting .354, Mansu, .373, and Fothergill heads the American League with .398. Bob Fothergill, who was farmed out to Rochester of the International League by Cobb some years ago was recalled in 1923, but was not given a regular assignment until this year. From the jump-off, Fothergill has hit consistently over .300. He does not remember ever hitting under that mark, even from his first job with Bloomington, in the Federal League.

The Detroit centerfielder is wearing Ty Cobb's shoes in great style and seems destined to remain the leader in American League slugging for years to come.

MALES LEAD IN JAPAN CENSUS FIGURES SHOW

(By Universal Service.)
TOKIO, Aug. 30.—Japan's population is still predominantly male and predominantly rural, according to 1925 census figures just made public by the Bureau of Statistics.

The total population of Japan proper, these figures show, is 59,736,822. The males number 30,013,109, and the females 29,723,713, the men thus having a numerical advantage of 289,396.

The total number of people living in cities is 12,896,850, or about 21 percent of the entire population.

Despite the fact that the rural population far exceeds the urban, the growth of the leading cities has been one of the outstanding developments in Japan during the last five years. Since 1920 the population of Tokio has increased by 780,000; of Osaka by 470,000, and other cities in proportion.

Osaka is now the largest city in Japan with a population of 2,114,804; Tokio is next with 1,995,567; Nagoya, 768,558; Kyoto, 679,963; Kobe 644,211 and Yokohama, 405,888. These are the only cities in the country with population exceeding 200,000, although there are 21 cities of more than 100,000 inhabitants.

The population of Japan as a whole has increased by 3,773,769, or 6.7 percent since 1920, the average yearly increase being approximately 750,000.

Howitzers Fail To Play With S. F., N. G. Team

The fundamental law of physics, or is it politics, is that a team cannot play baseball unless it has nine men to play against. That's the reason the Howitzer company nine did not play "L" company, and the Third Battalion Headquarters company team of San Francisco at Oakland on Sunday.

The "L" team was on hand and ready to play, but the Howitzers were going to play and let every body know that was their general intention.

They would have played too, only the other team did not show up.

Local Firemen Lose Fast Game

The Richmond Firemen lost a fast and snappy game to the San Francisco municipal team on Sunday by a score of 5 to 4 at the First street field. Kamb chucked for the local team while Lavenau received his offerings.

ALLEGES THAT GARRARD BLVD IS BEING PAVED

By PENN SPLASCHER

Good boulevard paving again being done at the city council at meeting last night. Now the paving of Garrard boulevard is nothing new to the people of Richmond. It has been before the council off and on, on and off, every week or so for the past year when the original contract was signed. But Garrard is still unpaved.

But they're working on it. City Engineer E. A. Hoffman admitted to the council last night, when he was asked if anything had been done or was going to be done before the rains start.

Well, they're working on it and have something. Not only that, but Hoffman stated that the grade was in much better condition than had been hoped. One side of it has been graded and trucks are able to drive over it without sinking. So the sub-base of Garrard boulevard isn't the soggy mess it was believed to be.

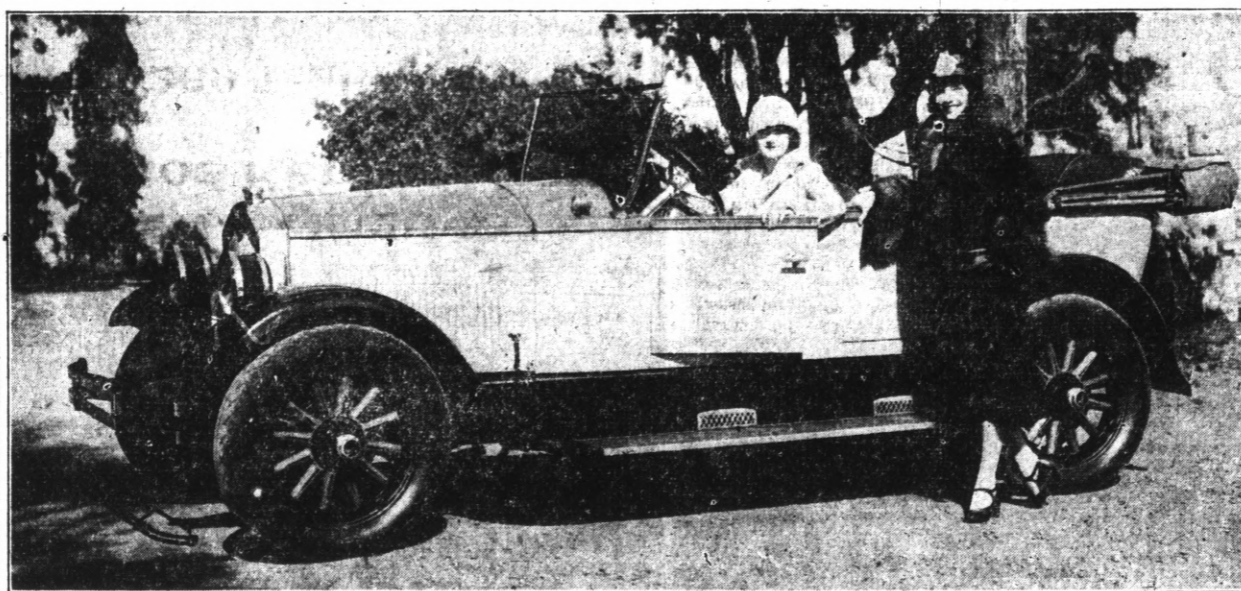

Hoffman also stated that the California Construction company, sub-contractors of the job, announced that they will rush the work to completion and that Garrard boulevard will be in the best of condition for traffic before the rains arrive.

TO ALTER STORE

Upon the recommendation of City Building Inspector A. J. Hurley, the city council last night granted permission to Herbert F. Brown to alter a store building on the southwest corner of Macdonald avenue and Twenty-third street. Hurley stated that a sketch of the proposed improvements had been given to him and that he approved of the work. A special permit was necessary as the building is of frame and within the fire limits.

INCREASE IN SALARY GIVEN CITY OFFICERS

(Continued from Page 1)

four cents for the 1922 bond, interest and redemption fund. The budget for the fiscal year was set by the council at a committee meeting held prior to the council meeting last night. Among the items of serving to the taxpayers this year is the harbor dredging fund of approximately \$50,000 which called for a tax rate of twenty cents. There is no appropriation on the maturation bonds this year as the municipal pool will take care of itself on its own revenue. The school department fund has been raised from four to six cents allowing a larger appropriation for this department.

No increase in salary was given to the members of the fire and police departments although the latter department received an appropriation for hiring three additional patrolmen, increasing the force from sixteen to nineteen.

Salary increases granted by the council are as follows: City Manager J. A. McVittie an increase of \$600 a year making his salary \$5,100; City Clerk A. C. Paris an increase of \$120 a year making his salary \$3,420; Deputy City Clerk Louis Brougham an increase of \$300 a year making his salary \$2,700; City Auditor Marie Whiteside an increase of \$180 making her salary \$2,700; Chief of Police Dan Cox, an increase of \$420 making his salary \$3,600; Chief Electrician E. S. Delaney an increase of \$180, making his salary \$2,400 a year; City Engineer E. A. Hoffman an increase of \$420 making his salary \$4,020 and Chief Mechanic B. H. Smith an increase of \$180 making his salary \$2,400 a year; Switchboard Operator W. H. Snelling an increase of \$120 a year making his salary \$1,800 and a similar amount for a present vacancy.

An appropriation of \$3,600 was allowed for the purpose of aiding the chamber of commerce in advertising the city. This is in addition to the \$500 fund to be used by the city for advertising purposes.

City Hall Will Be Closed Today

All departments of the city hall will be closed today on account of the primaries, according to an announcement made yesterday by City Manager James A. McVittie. The day has been declared a holiday.

Mr. and Mrs. Ben Arnitz, of the Lancaster apartments, have returned from a motor trip to Vancouver, B. C. They were accompanied by Mr. and Mrs. Cameron Kimball, of Napa, the sister and brother-in-law of Arnitz.

posers.

A fund of \$4,500 was set aside for city elections. For the installation of additional hydrants in the city \$4,000 was appropriated making the total appropriation for five hydrants \$32,000.

For sewer work, \$8,000 was appropriated for the extension of the Tenth street sewer system.

To secure a new truck for the street department to replace one now in poor condition, the amount of \$975 was appropriated.

The budget allows \$3,800 for the installation of an electric sign at the intersection of Macdonald and San Pablo avenues. This improvement has been endorsed by the various civic organizations of the city especially the Richmond Merchants association which stressed the need for such a sign to bring traffic into the commercial center of the city. An appropriation of \$1,500 was allowed for street signs and traffic lines in the city.

For harbor maintenance, the budget allows \$10,000 for this year. Should the Parr Terminal Corporation of Oakland complete the proposed leasing of the harbors, the council will have to make an annual appropriation of 25,000. As the lease has not as yet been completed and it is necessary to complete the budget at this time, the council decided to make a smaller appropriation to the present.

FINAL RITES ARE HELD FOR VALENTINO

By CORINNE RICH
City Universal Service.

NEW YORK, Aug. 30.—Rudolph Valentino's body found sanctuary today in a church of his faith deep in the center of the district of playhouses.

Surrounded only by friends who brought the respect denied a few days ago by the crowds, it found rest in the beautiful ritual of the requiem high mass.

The crowds were there, as they had formerly been, but they were held at bay a block away in all directions by 400 policemen. Fifty-ninth street, where St. Malachi's Church, the actors' church, is located, had been cleared and friends of the dead actor, who bore black-bordered, engraved cards of admission, could arrive and depart in peace.

They did arrive, men and women rich and poor in the land of make-believe. Many of them bore names that could conjure millions of dollars, Douglas Fairbanks, the Talmadges, Marcus Loew, Gloria Swanson and many others. Chorus girls were there, too, and unknown actors.

They were quiet and solemn during the hour's service, as if suddenly brought into the full realization of the inescapability of death.

And in the dignity that characterized the stay in the church dramatic things happened.

Pola Negri, the Polish star and favorite of the dead actor, sobbed quietly, but continually, throughout the service. Dressed in deep mourning, with a heavy veil, she came into the church on the arm of George Ullman, Valentino's manager.

Sitting in the sixth pew on a line with the head of the casket, she gazed at the massive silver-encased box that contained the body of the man she loved. Once, as it was being carried out, she made a motion as if to touch it in farewell. Her hand just missed its mark, and she sank on her knees in bitter tears.

Jean Acker, first wife of Valentino, sat immediately behind Miss Negri. She was sobbing, too, quite frankly. At one time she was so overcome that she slumped down into her seat in a faint, but so quietly did it happen that only a slight ripple of excitement ran through the church, as a white-uniformed nurse quickly revived her.

Shortly after 11 o'clock, as a great organ boomed a requiem, the funeral procession entered the church, led by Father Edward Leonard, who said the mass, and his assistants and altar boys. It moved slowly up the short center aisle.

The casket, covered by a pall of deep pink roses, the tribute of Miss Negri, was carried on the shoulders of eight undertakers' assistants. There followed the honorary pallbearers, including Adolph Zukor, Marcus Loew, Joseph Schenck and Douglas Fairbanks and two ushers, Ben Lyon and Richard Dix, who are known on the screen to millions of men and women.

Then came the mourners—just a handful of men and black-gowned women who had been closest to the great screen star during the thirteen brief years he had lived in this country.

Miss Negri and Mr. and Mrs. Ullman, Miss Acker and her mother and cousin, Norma and Constance Talmadge, Mary Pickford and one or two others. They followed quietly down the aisle to special

Spezzi Home Is Nearly Finished

James Balantyne of the Pacific Gas and Electric company wired the Spezzi home on Sunday while other volunteer workers completed the building of the rafters, placing of the window sashes and the building of the roof.

The house will be plastered on next Sunday at this home which is located at Cypress and Portero avenues.

Clark Co. Opens New Branch Office

A branch office at Twenty-third street and Lowell avenue in the Rheem Avenue district, has been opened by the Pacific Gas and Electric company. The branch will be in charge of Mrs. Marie Westdin Hughes.

There was no sermon, no eulogiums.

Outside the church a crowd had assembled, in spite of the police. People pressed near the entrance. But the greatest jam that was on Broadway for the funeral of this cortege was of a different kind. A back way was chosen.

Long before 11 o'clock this morning the streets from 34th to 56th street were lined with people. There was a better crowd from Sixty-eighth to Fifty-seventh streets on Broadway, two blocks each way further than the funeral procession would pass.

The 400 police formed a line all along and prevented any crowding near the funeral church at Sixty-sixth.

By the time the service was over at 12:30, the luncheon crowds were on the streets, greatly augmenting the jam that had patiently waited four hours.

Every window was black with people; they backed up at the crossings and stopped traffic for an hour. They filled the lobbies of movie houses, and those who were tired of waiting darted into one theater showing Valentino's latest film, there to glimpse the man in the robustness of his youth and health.

When it was seen that the crowds on Broadway were so thick, the return route was changed, so that a half hour after the service was over the thousands upon thousands were still massed in orderly fashion waiting for the procession that had long since passed back to the Campbell place through another street.

TRUSTEES OF EL CERRITO HOLD SESSION

A petition presented to the board of trustees of El Cerrito Monday night for a light on Lexington avenue between Central and Lincoln streets was referred to the light commissioner Fred Lutz.

Request from the residents of El Cerrito to have police protection for the school children crossing San Pablo avenue was laid over until such time as the city received jurisdiction of San Pablo avenue from the State Highway commission.

An estimate to waterproof the brick on the city hall of \$102.99 was made by Mastercraft Tile and Roofing Co. and was referred to trustee Phil A. Lee for one week.

A communication received by the Berkeley postmaster from Washington was read by the clerk stating that the matter of extending services from the Berkeley postoffice to El Cerrito was being taken up and an inspector had been appointed to make a survey of the territory.

Trustee Phil A. Lee reported the streets in the Berkeley Country Club Terrace tract where sewer work is being done, is in bad condition and dangerous and that the contractor should be notified to improve the streets in better condition.

The board instructed street superintendent Forrest Wright to have the contractor fix the streets immediately.

Canvassing of the returns of the annexation election held Tuesday August 24th showed the vote to be 17 for and 2 against as had been previously announced.

A Duty to the children

The proper education of children usually imposes severe financial sacrifices on the parents. The future burden of expense can be materially relieved, however, or entirely eliminated, by opening a savings account now in the Mercantile Trust Company of California and making systematic deposits. The accumulations, aided by four per cent interest compounded semi-annually, will provide the necessary educational fund.
